

VOXX INTERNATIONAL CORPORATION

PATENT PORTFOLIO

Created: August 25, 2014

Updated: January 13, 2017

Voxx International Corporation and its subsidiaries and affiliates own rights in and to the following U.S. and International patents. Additional U.S. and International patents pending.

MOBILE VIDEO

<u>Patent No.</u>	<u>Title</u>	<u>Country</u>
9,393,915	Vehicle Entertainment System	United States
9,348,368	Entertainment Apparatus	United States
9,317,241	Vehicle Console Capable of Wireless Reception And Transmission of Audio And Video Data	United States
9,310,842	Vehicle Entertainment Tablet Unit And Cradle	United States
9,210,364	Entertainment System Mountable In A Vehicle And Methods For Mounting And Displaying Same	United States
9,150,164	Vehicle Entertainment System	United States
9,139,139	Console	United States
9,114,745	Portable Video System	United States
9,022,469	Vehicle Mounting System For Mobile Computing Devices	United States
8,983,385	Entertainment System Including Selectable IR Receive And Transmit Codes And Day/Night Picture Modes	United States
8,973,061	Data Distribution Unit For Vehicle Entertainment System	United States
8,953,102	Vehicle Entertainment Tablet Unit And Cradle	United States
8,780,282	Vehicle entertainment system	United States
8,730,413	Rear seat entertainment system for a vehicle having an active headrest	United States

2112979	Rear seat entertainment system for a vehicle having an active headrest	European Union
D705,202	Entertainment hub	United States
8,713,613	Data distribution unit for vehicle entertainment system	United States
8,645,147	Video display mounting system and method	United States
8,527,021	Entertainment system including selectable IR receive and transmit codes and day/night picture modes	United States
8,520,152	Entertainment system mountable in a vehicle and methods for mounting and displaying same	United States
8,502,642	System for controlling the use of electronic devices within an automobile	United States
8,447,174	Portable video system	United States
8,400,572	Interchangeable switch assembly for media device	United States
502008006583	Method of making a vehicle antenna	Germany
2201643	Method of making a vehicle antenna	Spain
2201643	Method of making a vehicle antenna	France
2201643	Method of making a vehicle antenna	Italy
8,299,974	Method of making a vehicle antenna	United States
1603381	Contact spring as a shield for TV-tuner	Czech Republic
502005013218.1	Contact spring as a shield for TV-tuner	Germany
1603381	Contact spring as a shield for TV-tuner	European Union
1603381	Contact spring as a shield for TV-tuner	France
1603381	Contact spring as a shield for TV-tuner	Great Britain
1603381	Contact spring as a shield for TV-tuner	Hungary

1603381	Contact spring as a shield for TV-tuner	Turkey
1915892	Mounting a fan for an electronic device	Czech Republic
502006012164.6	Mounting a fan for an electronic device	Germany
1915892	Mounting a fan for an electronic device	European Union
1915892	Mounting a fan for an electronic device	France
1915892	Mounting a fan for an electronic device	Great Britain
1915892	Mounting a fan for an electronic device	Hungary
1915892	Mounting a fan for an electronic device	Turkey
102010015567	Antenna amplifier with press stud fastening in housing	Germany
8,274,615	Mobile video system	United States
8,261,309	Mobile entertainment system with retrieval of audio and video media content from a remote library	United States
8,255,958	Automobile entertainment system linking multiple video systems for coordinated sharing of video content	United States
8,250,611	Automobile entertainment system	United States
8,243,215	Hood for vehicle seat headrest including a video system	United States
8,203,657	Inductively powered mobile entertainment system	United States
102005033593	Contact spring for vehicular antenna/amplifier connection	Germany
8,202,132	Contact spring for vehicular antenna/amplifier connection	United States
8,201,203	Headrest mounted vehicle entertainment system with an integrated cooling system	United States

8,187,098	Two-sided electronic game and remote controller	United States
CA 2661243	Two-sided electronic game and remote controller	Canada
8,186,034	Installation apparatus for an automobile entertainment system	United States
502006011440.2	Laminated structure with antenna connectors	Germany
1854168	Laminated structure with antenna connectors	France
8,162,395	Automobile entertainment system	United States
8,141,948	Seat back entertainment system	United States
CA 2687273	Seat back entertainment system	Canada
2156662	Seat back entertainment system	European Union
8,136,777	Mounting bracket for securing a video system behind a headrest	United States
8,120,716	Vehicle entertainment system including monitor for rear view enhancement	United States
CA 2651708	Console	Canada
2438045	Console	Great Britain
1115356	Console	Hong Kong
2008/09965	Console	South Africa
I 383907	Console	Taiwan
8,109,569	Vehicle headrest mounted entertainment console	United States
CA 2829227	Entertainment apparatus	Canada
2448958	Entertainment apparatus	Great Britain
1127323	Entertainment apparatus	Hong Kong
2010/02510	Entertainment apparatus	South Africa
CA 2776456	Console	Canada
DE 202007019379.3	Console	Germany
8,104,833	Vehicle headrest cover	United States
CA 2631300	Vehicle headrest cover	Canada
1992520	Vehicle headrest cover	European Union
8,070,224	Vehicle entertainment system incorporated within the armrest/console of a vehicle	United States

8,041,195	Vehicle entertainment system for remote sharing and storage of video content	United States
2426233	Program diversity	Russia
97089	Program diversity	Ukraine
2007/05423	Program diversity	South Africa
7,954,894	Headrest mountable video system	United States
CA 2600461	Headrest mountable video system	Canada
502004012543.3	Antenna with parent compound partially from plastic	Germany
1604426	Antenna with parent compound partially from plastic	Italy
7,933,121	Portable video system including a bag for housing a video player	United States
7,909,397	In-vehicle docking station for a portable media player	United States
CA 2636137	In-vehicle docking station for a portable media player	Canada
7,909,396	Automobile entertainment system	United States
7,871,115	Vehicle entertainment system with motorized hinge	United States
7,857,382	Detachable vehicle entertainment system for the armrest/console of a vehicle	United States
7,857,176	Seat mountable video system	United States
ZL200680001237.5	Process for improvement of image stability in mobile TV reception	China
7,839,355	Vehicle display device having a wireless transmitter	United States
7,805,050	Mobile video entertainment system	United States
7,804,421	Vehicle safety system	United States
7,802,835	Vehicle entertainment system with flush supporting cable	United States

7,791,586	Entertainment system mountable in a vehicle seat	United States
CA 2628840	Entertainment system mountable in a vehicle seat	Canada
EP1949677	Entertainment system mountable in a vehicle seat	European Union
7,788,770	Hinge for a mobile video system	United States
7,780,231	Entertainment system mountable in a vehicle seat and methods for mounting and displaying same	United States
CA 2628973	Entertainment system mountable in a vehicle seat and methods for mounting and displaying same	Canada
1949364	Entertainment system mountable in a vehicle seat and methods for mounting and displaying same	European Union
D617,319	Antenna housing	United States
D614,101	Trimplate for an automobile headrest video system	United States
7,679,578	Headrest mountable video system	United States
CA 2543034	Mobile entertainment system	Canada
7,667,669	Vehicle display device having a wireless transmitter	United States
7,661,759	Vehicle headrest cover	United States
CA 2711321	Vehicle headrest cover	Canada
7,653,345	Entertainment system for use in a vehicle	United States
7,609,946	Portable video system	United States
100565425C	Mobile entertainment system	China
1116559	Mobile entertainment system	Hong Kong
7,604,291	Vehicle entertainment system incorporated within the armrest/console of a vehicle with a swivel monitor mounting structure	United States
7,604,276	Vehicle entertainment system with tensioning mechanism	United States

7,604,275	Vehicle entertainment system with attachment mechanism	United States
7,604,274	Vehicle entertainment system with attachment mechanism	United States
7,604,273	Vehicle entertainment system	United States
7,590,382	Entertainment system for use in a vehicle	United States
502004010020.1	Housing for TV tuner for cars	Germany
1471782	Housing for TV tuner for cars	France
1471782	Housing for TV tuner for cars	Great Britain
7,575,265	Vehicle entertainment system with rotation control mechanism	United States
D597,980	Automobile headrest video system	United States
7,566,083	Vehicle entertainment system with safety for attachment mechanism	United States
D598,902	Antenna	United States
7,564,479	Rearview camera display mounted on a vehicle overhead console	United States
502004009643	Contact spring for antenna structure	Germany
7,548,413	Cover for a vehicle media device	United States
CA 2622809	Cover for a vehicle media device	Canada
D594,431	Mobile entertainment system	United States
D591,272	Touch screen remote control	United States
D590,787	Mobile video system	United States
D590,362	Trimplate for an overhead automobile entertainment system	United States
7,522,112	Roof antenna with protected access to a fastener through the cover	United States
7,516,996	Vehicle entertainment system with an identification system ensuring compatibility	United States

7,500,705	Vehicle entertainment system with safety lock for hinge structure	United States
7,493,645	Console with monitor and wireless receiver	United States
EP1774786	Vehicle console capable of wireless reception and transmission of audio and video data	European Union
1100872	Vehicle console capable of wireless reception and transmission of audio and video data	Hong Kong
7,490,887	Vehicle entertainment system	United States
D583,763	Electrical connector for an automobile trimplate	United States
7,460,187	Rail system for use in a vehicle	United States
D581,381	Mobile video system for an automobile center console	United States
D581,362	Electrical connector	United States
D580,866	Keyed electrical connector	United States
D580,360	Keyed electrical connector	United States
7,440,275	Portable video system including a base unit secured to a substrate for selectively coupling a video unit	United States
502005012568.1	Bayonet-mount motor-vehicle antenna	Germany
7,436,367	Bayonet-mount motor-vehicle antenna	United States
7,431,400	Tilting mechanism for automotive headrests	United States
7,416,439	Methods and devices for preparing wires for installation in a headrest entertainment system	United States
502004007418.9	Contact for antenna structure	Germany
502005003798.3	Catcher as a shield for TV-tuner	Germany

1575347	Catcher as a shield for TV-tuner	France
1575347	Catcher as a shield for TV-tuner	Great Britain
7,360,833	Vehicle entertainment system with backside loading DVD player	United States
502006005229.6	Vehicle roof antenna with a mounting part for an antenna rod with simultaneous securing of a cover hood	Germany
7,358,910	Vehicle roof antenna with a mounting part for an antenna rod with simultaneous securing of a cover hood	United States
7,358,438	Sandwich housing for an antenna amplifier	United States
7,354,091	Seat mountable entertainment system	United States
CA 2584772	Seat mountable entertainment system	Canada
EP1809511	Housing adapted to secure a removable media source to a seat in a vehicle	European Union
1110829	Housing adapted to secure a removable media source to a seat in a vehicle	Hong Kong
D564,991	Vehicle entertainment system for a headrest	United States
D564,439	Base with domelamps for an automobile entertainment system	United States
D563,920	Portable entertainment system	United States
7,338,316	Connector for joining cable conductors with an antenna	United States
E388617	Casing for an electronic apparatus for a vehicle	Austria
1811826	Casing for an electronic apparatus for a vehicle	Germany
1811826	Casing for an electronic apparatus for a vehicle	France
1811826	Casing for an electronic apparatus for a vehicle	Great Britain

23531/BE/2008	Casing for an electronic apparatus for a vehicle	Italy
7,333,009	Overhead display device for a vehicle	United States
D561,275	Vehicle headrest shaped stress relief device	United States
D561,139	Portable entertainment system	United States
D561,138	Portable entertainment system	United States
D559,839	Base for an automobile entertainment system	United States
D559,808	Mobile video system	United States
D559,765	Trimplate for an overhead automobile entertainment system	United States
7,315,729	Wireless transmitter for use in a vehicle	United States
D558,124	Overhead automobile console	United States
D555,071	Trimplate for an overhead automobile entertainment system	United States
D551,197	Vehicle entertainment system	United States
D550,608	Overhead automobile console	United States
D547,741	Vehicle entertainment system	United States
7,245,274	Headrest mountable video system	United States
CA 2525965	Headrest mountable video system	Canada
100382994C	Headrest mountable video system	China
EP1623565	Headrest mountable video system	European Union
1093947	Video system mounted in a headrest	Hong Kong
E376627	Collar screw or collar nut housing attachment	Austria
1496273	Collar screw or collar nut housing attachment	Switzerland

502004005310.6	Collar screw or collar nut housing attachment	Germany
7,235,744	Collar screw or collar nut housing attachment	United States
D543,930	Combined armrest and vehicle entertainment center	United States
7,219,942	Overhead system attachable to a rail assembly in a vehicle and method for installing same	United States
7,218,360	Mobile video system	United States
D541,730	Cradle cover for an automobile	United States
D539,768	Overhead entertainment console	United States
50302830.4	Housing for antenna amplifier	Germany
1550358	Housing for antenna amplifier	France
1550359	Housing for antenna amplifier	Great Britain
4567455	Housing for antenna amplifier	Japan
7,189,919	Housing for antenna amplifier	United States
D535,957	Armrest/console entertainment system	United States
D535,937	Combined armrest and vehicle entertainment center	United States
D535,609	Combined armrest and vehicle entertainment center	United States
D535,269	Overhead automobile entertainment system	United States
D535,246	Cradle cover for a vehicle entertainment system	United States
7,149,078	Video display system	United States
7,121,835	Contact spring assembly, especially for an antenna amplifier	United States
7,095,608	Video display mounting system and method	United States
7,050,124	Mobile video system	United States
CA 2505034	Mobile video system	Canada
50213971.4	Wide band slot cavity antenna	Germany
1454381	Wide band slot cavity antenna	France

7,019,705	Wide band slot cavity antenna	United States
D515,522	Entertainment system for an automobile headrest	United States
D512,973	Rail system overhead video display console	United States
CA 109807	Rail system overhead video display console	Canada
50003459.1	Process for mobile reception of television signals and a circuit for executing the process	Germany
1188258	Process for mobile reception of television signals and a circuit for executing the process	France
1188258	Process for mobile reception of television signals and a circuit for executing the process	Great Britain
6,992,730	Process for mobile reception of television signals and a circuit for executing the process	United States
6,975,806	Mobile video entertainment system	United States
D511,332	Overhead entertainment console	United States
6,961,239	Portable video system	United States
D510,329	Overhead entertainment console	United States
6,951,475	Cable strain relief device	United States
6,937,197	Antenna for a central locking system of an automotive vehicle	United States
6,928,654	Vehicle display device for simultaneously displaying one or more video programs on separate displays	United States
6,899,365	Seat mountable entertainment system	United States
6,847,331	Detachable jacketed antenna with jacket rotation prevention feature	United States
6,678,892	Multimedia entertainment unit for use in a vehicle	United States

19922699	Antenna with at least one vertical radiator	Germany
6,624,794	Antenna with at least one vertical radiator	United States
6,570,495	Voice confirmation system and method for a vehicle	United States
D467,234	Flip down monitor	United States
D457,506	Flip down monitor base	United States
3408244	Vehicle antenna device	Japan
59903407.6	Vehicle antenna device	Germany
1080513	Vehicle antenna device	France
1080513	Vehicle antenna device	Great Britain
D456,371	Stowable display system in a rotatable console	United States
D454,121	Stowable display system in a rotatable console	United States
D451,895	Stowable display system with video player	United States
D448,009	Display	United States
D447,125	Circular stowable display system	United States
D446,193	Display	United States
D443,255	Display	United States
D442,153	Circular stowable display system	United States
6,133,645	Electronic device disconnect circuit	United States
19528731	Method for protection of components such as protection devices	Germany
5,927,784	Two-piece overhead console	United States
5,793,337	Antenna arrangement	United States
5,775,762	Overhead console having flip-down monitor	United States
5,555,466	Vehicular audio/visual system having distribution box for connecting individual passenger monitors to multiple program sources	United States
