FOR IMMEDIATE RELEASE

## **KLIPSCH IS NOW ON PORTAL.io FOR ONE STOP SHOPPING**

**INDIANAPOLIS, IND. (June 29, 2017)** — Klipsch®, a tech-driven audio company, today announces that it has partnered with Portal to streamline and enhance the direct buying process of its premium loudspeaker solutions. Portal is an award-winning web portal and iOS app that functions as a one stop shop for integrators, saving them time, resources, and money.

This easy-to-use app can be accessed from any office or job site and offers a variety of information and functionality in one centralized location. It is free to use and provides instant access to real time product information, including pricing and availability, pricing. Integrators can also send orders to Klipsch, as well as other suppliers, making it a convenient one stop shop.

In addition, Portal offers useful functionality. A powerful, yet simple proposal tool that helps integrators build quotes and close jobs faster. It also creates and sends PO's at the touch of a button, saving Klipsch integrators time and money.

“We are making it easy to do business with Klipsch by streamlining product information and order placement into one centralized location, and providing a tool that minimizes the tedious task of creating bids so our partners can focus on what matters most – building relationships and growing their businesses,” said Rob Standley, VP and general manager of professional and component audio.

“Klipsch is one of the most recognized speaker brands in Consumer Technology. They have a long, rich history of superior products and technology,” adds Josh Willits, VP of Dealer Happiness with Portal. “We’re honored that Klipsch has recognized Portal’s hard work over the last few years building a software platform that makes it easier for Integrators and their vendors to do business with each other.”
