

## News Release

### Singtrix Honored with Edison Award in New York City

**HAUPPAUGE, NEW YORK – MAY 19, 2015** --[VOXX Electronics Corporation \(VEC\)](#), a wholly-owned subsidiary of [VOXX International Corporation](#) (NASDAQ: VOXX), today announced that Singtrix, one of the most advanced and innovative karaoke systems has been honored with an Edison Award. The Edison Awards are among the most prestigious accolades honoring excellence in new product and service development, marketing, and human-centered design and innovation. Award winners represent “game changing” products, services and excellence in leadership and innovation around four criteria: Concept, Value, Delivery and Impact.

“The Edison Awards recognize and honor the most innovative new products, services and business leaders in the world and we are very proud of the recognition that our Singtrix partners have received,” said Tom Malone, President of VOXX Electronics Corporation. “It is an honor to be associated with an award winning product and company. We are happy to be partnered with John Devecka and the Singtrix team to deliver this product!”

Singtrix takes the Karaoke experience to the next level with one of the most advanced, natural sounding vocal effects, and pitch correction that can make anyone sound like a pro. Featuring more than 300 amazing studio quality vocal effects inspired by famous artists and epic songs covering every generation and music genre, Singtrix makes bad singers sound good and good singers sound amazing.

“We really appreciate this special recognition by the Edison Awards Committee. Our goal for Singtrix was to make singing inclusive, inspiring and fun for everyone regardless of their ability. That bold idea required us to dramatically innovate in a category that was relatively unchanged for decades,” said John Devecka, Chief Executive Officer of Singtrix. “I am proud of our team and all of our many supportive partners who took a lot risks to help us make this a reality.”

Singtrix is currently available nationwide for an MSRP of \$349.99.
