

## News Release

### **VOXX Electronics Attends KnowledgeFest Summer Training and Hosts Training Workshop**

**HAUPPAUGE, NEW YORK – AUGUST 13, 2015** --[VOXX Electronics Corporation \(VEC\)](#), a wholly-owned subsidiary of [VOXX International Corporation](#) (NASDAQ: VOXX), announced today they will be attending the 2015 KnowledgeFest Summer Training in Dallas on August 15-17 to showcase their extensive 12 Volt Retail and Car Dealer specific products across their numerous brands in Booth #201. The Company will also be hosting a training workshop on Advanced Troubleshooting and Diagnostics for Transponder & Door Lock Interface modules Saturday afternoon with guest speakers Mike Abeita of Automotive Data Solutions and Andrew Fiore of VOXX Electronics.

“KnowledgeFest is dedicated to educating and increasing retailer awareness on some of the new and exciting products available today, setting the perfect stage for us to display our broad lineup for 12 Volt products to a group of specialty retailers and reps,” said Tom Malone, President of VOXX Electronics Corporation. “This event brings together a group eager to learn and interact with the many different mobile electronics suppliers in attendance providing us with the opportunity to connect one-on-one with our loyal customers.”

On Saturday, August 15 you will also have the opportunity to join MECP Certified Master Installer Mike Abeita of Automotive Data Solutions (ADS) and MECP Certified Installer Andrew Fiore of VOXX Electronics as they host a training workshop on Advanced Troubleshooting and Diagnostics for Transponder & Door Lock Interface modules. This workshop will take you through the latest tips for troubleshooting remote start transponder and door lock interface issues on today’s most challenging vehicles. They will also show you the advantages of using the FLCAN by FlashLogic, the most advanced Transponder & Door Lock Interface module on the market today. Plus, Andrew will take you through a quick overview for programming the Prestige/Pursuit web based programming systems. The training workshop will take place from 4:15pm to 6:15pm in Meeting Room Desoto B.

The first 25 attendees to arrive to the workshop will receive a VOXX Electronics Swag Bag, plus there will be a drawing to win a first, second and third place prize package! Prize packages feature a Klipsch RB-10 Soundbar, a Prestige APS997E Two-Way Remote Start & Security System with CarLink (ASCL4), and a \$100 Snap-on Gift Card.

At the VOXX Electronics Booth the Company will be showcasing the latest offerings across all of their product categories including; Advent/Audiovox Mobile Video, Vehicle Security and Tracking, Remote Start Systems, Telematics, Advanced Driver Assistance Systems (ADAS), Navigation and OE Integration.

Visit VOXX Electronics at Booth #201 at the 2015 KnowledgeFest – Summer Training on Saturday, August 15, through Monday, August 17 at the Hilton Anatole Resort & Convention Center in Dallas, TX.
